### **7. Key activities:**

We are planning two general meetings per year to meet our "office". The French Waimh organized 2 scientific conferences (in June and November) + 1 evening (in January) by conference + 2 days of "Interface

Training Perinatal" (in June and November) by year.

The scientific conferences are systematically lead to a publication in the "1001 babies" collection, ERES

editions. You can find these publications on the website editions ERES at the following address:

[http://www.editions-eres.com/resultats\\_collections.php?COLLECTION=85](http://www.editions-eres.com/resultats_collections.php?COLLECTION=85). This collection is directed by

Patrick Ben Soussan.

For now, there are 4 publications :

- "What have we done the transgenerational mandate " de Serge Lebovici, by N. Presme and P. Delion
- "Disability and perinatal, by P. Delion S. Missonnier ans N. Presme
- "Perinatal professionals welcome disability", by N. Presme, P. Delion, S. Missonnier
- "What transmissions around cradles", by N. Presme, P. Delion, S. Missonnier

## ***8. Training and training stratégies***

- 2 days of training (1 in June and 1 in Novembre) and 1 evening (in January) by year, by conference :  
<http://www.psynem.org/Waimh/Francophone/Rencontres/Francophone/Journees/archives.htm>

- 2 days of "Interface Training Perinatal" by year :

<http://www.psynem.org/Waimh/Francophone/Presentation/Commissions/InterfaceFormation/index.htm>

We would like in the future to develop workshops in addition to plenary lectures.

- Perinatal trainings: "Introduction to prenatal early interviews for midwives" by S. Missonnier and M.J. Soubieux and "Video Feedback in Parent-Infant Treatments: introduction and training" by Sandra Rusconi

## ***9. Membership development stratégies***

All events we organized are free for members, they have also free access to certain secure items on our website, e.g. extracts days (video).

## ***10. Unique features***

Creation in 2008 of a commission "Interface Training Perinatal". In this group, all the teachers engaged in psychologic perinatal trainings are invited to work together to elaborate formalizations and contents of sessions. 4 years ago we organized 2 meetings per year.
